SEMBLANCE

No one knows the needs of your workspace better than you. Create the perfect office with the SEMBLANCE MODULAR SYSTEM. Choose from one of our predesigned packages or select your own components to create a system for virtually any application.

Semblance Package 5464-CS

ONE SYSTEM.
ENDLESS POSSIBILITIES.

With SEMBLANCE, your imagination is the only constraint. SEMBLANCE is a versatile, fully customizable collection that can be used to create storage systems, shelving units, room dividers, offices and media walls of virtually any size or configuration.

Semblance Package 5413-PN

Endlessly Configurable

Vertical panels are finished with natural hardwood veneers. Threaded inserts allow for quick, easy and secure reconfiguration of components as needed, spaced every 2.5in | 64mm.

Versatile Storage Cabinets

The single and double-width cabinets 15010 and 15011 feature micro-etched glass fronts and soft–close hinges to provide an elegant touch. Opaque doors conceal an adjustable shelf. Single-width cabinet doors can be reversed to open from the left or right.

Micro-etched Glass Work Surfaces

Semblance desktops, shelves, doors and drawer fronts feature micro-etched glass that is non-glare and fingerprint resistant. When used on desktops, this glass is compatible with an optical mouse and provides a smooth writing surface.

Multi-function Keyboard Drawer

The Inline Desk (Model 15040) and Corner Desk (Model 15041) include a keyboard drawer with a flip-down front and integrated wire management slots in the back. Drawer is lined with non-slip material to keep contents in place.

Easy-Access Panels

The Inline Desk (Model 15040) and Peninsula Desk (Model 15041) include a tilt-down panel that conceals wires and wall outlets. There is space to mount a power strip (not included) with the supplied magnetic mounting kit.

Convenient Storage Drawers

The single and double-width drawer modules 15030 and 15031 include a top storage drawer for supplies and a lower file drawer that can hold file folders hanging in either direction.

Semblance Components

Feeling creative? Customize a package or create one of your own by selecting from SEMBLANCE's various components. By combining tall or low vertical panels with single or double width shelves, cabinets, and more, you can create a custom solution for any environment.

Semblance Package 5413-DG

VERTICAL PANELS

Beautifully finished panels are the starting point. Select between two heights and four finishes. Panels are fitted with threaded inserts positioned in increments of 2.5"/64 mm allowing for simple and repeated reconfiguration and reassembly. All panels include integrated levelers to accommodate for variations in the floor.

END PANELS are available in two heights (79.5"/202 cm & 29"/74 cm). These panels have threaded inserts on one side only. The other side has no inserts and is designed to be the outer end of any system. End panels include wall mount brackets to secure your system to a wall.

15020 Tall End Panel Set – 79.5" (set of 2)	79.5H x 1.75W x 15.75D in ∣ 202H x 4W x 40D cm	Hole Spacing: 2.5 in ∣ 64 mm
15021 Tall End Panel – 79.5"	79.5H x 1.75W x 15.75D in ∣ 202H x 4W x 40D cm	Hole Spacing: 2.5 in ∣ 64 mm
15023 Low End Panel – 29"	29H x 1.75W x 15.75D in ∣ 74H x 4W x 40D cm	Hole Spacing: 2.5 in ∣ 64 mm

DIVIDER PANELS have threaded inserts on both sides, and are used as the inner panels of a system. Available in two heights (79.5"/202 cm & 29"/74 cm).

15025 Tall Divider Panel – 79.5"	79.5H x 1.75W x 15.75D in ∣ 202H x 4W x 40D cm	Hole Spacing: 2.5 in ∣ 64 mm
15028 Low Divider Panel – 29"	29H x 1.75W x 15.75D in ∣ 74H x 4W x 40D cm	Hole Spacing: 2.5 in ∣ 64 mm

TRANSITION PANEL is used to move from a tall shelving area to a lower one (or vice versa). One side has threaded inserts the full height of the panel, while the other has inserts up to 29"/74 cm. Panel is reversible.

STORAGE OPTIONS

Here's where it gets fun! Build your SEMBLANCE system any way you would like by adding any combination of shelves, cabinets and drawers.

SHELVES are constructed of black, micro-etched glass and rest securely on full-length steel supports. Available in three lengths: single-width, double-width and an extra long AV shelf.

15000 Single-width Shelf	1.25H x 15.5W x 15.5D in ┃ 3H x 40W x 39D cm	Shelf Capacity: 50 lbs ┃ 22.5 kg

DESKS & TABLES

Creating a complete office, or just need a small space to pay bills? Add a SEMBLANCE desk to your system to create the perfect workspace.

INLINE DESK can be added for a compact workspace and includes a 23"/59cm deep micro-etched glass work surface. An integrated multifunction keyboard drawer has a flip-down front and is lined with non-slip material that also serves as a mouse pad. Cables are neatly concealed behind the lower tilt-down panel.

15040 Inline Desk   29H x 30.75W x 23D in | 74H x 78W x 59D cm   Capacity: 200 lbs | 91 kg

PENINSULA DESK is great for creating a shared workspace. The black, micro-etched glass top provides a generously sized work surface. The back of the desk includes a tilt-down lower panel that conceals wires and provides access to wall outlets.

15041 Peninsula Desk   29H x 30.75W x 59.5D in | 74H x 78W x 151D cm   Capacity: 125 lbs | 56.5 kg

CORNER DESK makes full use of a corner to provide a full workspace and allows your SEMBLANCE system to turn 90 degrees. The desk includes a flip-down multifunction keyboard drawer that is lined with non-slip material that also functions as a mouse pad. The rear support column conceals wires, a power strip and/or a router (not included) behind a magnetically attached panel.

15049 Corner Desk   29H x 40.75W x 40.75D in | 74H x 103W x 103D cm   Capacity: 125 lbs | 56.5 kg

BACK PANELS go on the outside of an Inline or Peninsula Desk to conceal cables and connections when a desk is floating in a room. This accessory is not needed if these desks are positioned against a wall.

ACCESSORY

WIRE MANAGEMENT KIT is available should you want to keep cables or speaker wires neatly out of sight. Attaching directly to the back of vertical panels, this kit provides channels for you to run wires through.

SEQUEL

SEQUEL OFFICE breaks new ground in office organization and style. The collection's components can be configured for any office application and are engineered to provide an organized and efficient workspace. Combining versatile work surfaces, file and storage cabinets and a unique technology management system, SEQUEL creates an office in which you actually enjoy working.

Overall Dimensions (H x W x D)   29 x 60 x 24 in | 74 x 153 x 61 cm

- The versatile multifunction system drawer provides the ideal spot for a keyboard, mouse and rechargeable items.
- Magnetically attached front and back panels provide easy access and make it easy to keep wires out of sight.
- When the Desk is positioned against a wall, the back panel may be removed for direct access to wall outlets.

Overall Dimensions (H x W x D)   29 x 60 x 16 in | 74 x 153 x 41 cm

- Provides additional workspace when used with the Desk or is a great laptop station on its own.
- Return ships with a front panel to conceal cables and outlets when placed against a wall. If the Return is floating in a room, then the Desk's back panel can be used to conceal the backside.
- If needed, additional rear panels, model **6009 Back Panel**, and modesty panels, model **6012 Return End Panel**, are available.

The SEQUEL Desk 6001 drawer combines a tilt-down keyboard tray with a deeper compartment for rechargeable items. The Compact Desk 6003, Bridge 6013 and Corner Desk 6019 include the same features but in a single-level drawer.

The SEQUEL Desk 6001 includes a Back Panel that can be used on either the Desk or Return. If floating both the Desk and the Return within a room, an additional back panel is necessary. Shown with optional 6012 Return End Panel.

Magnetically attached front and back panels conceal power cords and cables, tilting for easy access to connections. When a Desk is positioned against a wall, remove the back panel for direct access to outlets.

Overall Dimensions (H x W x D)   29 x 47.25 x 24 in ⏐ 74 x 120 x 61 cm

- During setup, the Compact Desk can be configured with the drawer on either side for left or right-handed users.
- The single-level drawer can hold oversized keyboards and includes wire management slots in the back for rechargeable items.
- The front panel tilts for easy access to wall connections while keeping all wires out of sight.
- The Compact Desk does not include a back panel. If floating in a room, model **6008 Compact Desk Back Panel** is available separately.

Partner the Compact Desk 6003 with a SEQUEL cabinet to create a complete small office.

Sequel's micro-etched, black glass work surfaces are non-glare and fingerprint resistant. Compatible with an optical mouse, this unique treatment provides a luxurious feel and smooth writing surface.

The Sequel Desk 6001, Return 6002, Compact Desk 6003 and Corner Desk 6019 include magnetic power strip mounting kits to keep wires organized and out of sight (power strip not included).

SEQUEL® DESKS

Overall Dimensions (H x W x D)   29.25 x 37.75 x 55 in | 74 x 96 x 140 cm

- Available in left and right-facing models, the Sequel Peninsula is perfect for a collaborative work environment. Model 6018L is left-facing, 6018R is right-facing (shown above).
- The Peninsula features a micro-etched glass top that attaches securely to Sequel Cabinets 6014, 6015, 6016 and 6017.
- Wire management pathways are integrated into the steel frame and legs to keep cables out of sight.

Overall Dimensions (H x W x D)   29.25 x 43 x 43 in | 74 x 109 x 109 cm

- Attaches securely to Cabinets 6014, 6015, 6016 and 6017 with steel supports located under the glass top.
- Multifunction drawer holds supplies, a keyboard, mouse and rechargeable items.
- The rear support column can house a power strip and/or router.

Wire management channels are integrated into the steel frame of all SEQUEL work surfaces to keep wires organized. The Peninsula 6018 includes channels in the legs allowing wires to be routed discreetly out of sight. Legs can be turned to hide openings.

The support column on the Corner Desk 6019 hides a storage compartment behind a magnetic panel. This can be used to conceal a power strip and/or router (not included) and is easily accessible via convenient wire management channels in the steel frame.

Overall Dimensions (H x W x D)   29 x 15.25 x 24 in | 74 x 39 x 61 cm

- File pedestal on locking casters with two letter/legal-sized file drawers.
- Designed for use beside the Sequel Desk 6001 or Compact Desk 6003.
- Topped with micro-etched, black tempered glass that beautifully extends the useable work surface.

Overall Dimensions (H x W x D)   24 x 15.25 x 21 in | 61 x 39 x 54 cm

- Mobile cabinet on locking casters with one letter/legal-sized file drawer and two smaller storage drawers.
- Designed to fit neatly under the Sequel Desk 6001, Compact Desk 6003 and Executive Desk 6021.
- Can be used on its own as a printer stand.

Locking casters on the mobile file pedestals provide mobility and versatility when needed or can be secured to keep everything in place.

Overall Dimensions (H x W x D)   29 x 15.5 x 18 in | 74 x 39 x 46 cm

- Includes two storage drawers and a file drawer for hanging letter or legal-sized folders.
- Cabinet can be used as an anchor for the Bridge 6013, Peninsula 6018 and Corner Desk 6019.

Overall Dimensions (H x W x D)   29 x 35 x 18 in | 74 x 89 x 46 cm

- Provides a deep, full-extension top drawer.
- Lower divided compartment includes two independently adjustable lower shelves allowing customization as needed.
- Cabinet can be used as an anchor for the Bridge 6013, Peninsula 6018 and Corner Desk 6019.

The Sequel Cabinets provide sturdy support for the Bridge 6013, Peninsula 6018 and Corner Desk 6019. These work surfaces are attached by steel supports located in the frame under the glass.

Sequel 6015 Storage Cabinet can hold a host of supplies in top drawer and on adjustable shelves.

Overall Dimensions (H x W x D)   29 x 35 x 18 in | 74 x 89 x 46 cm

- Provides secure storage for legal and/or letter-sized files in its two generously sized drawers.
- Drawers include interlock anti-tip hardware, allowing only one drawer to open at a time and a counterweight for stability.
- Alternate lock cylinders are available separately.
- Can be used as an anchor for the Bridge 6013, Peninsula 6018 and Corner Desk 6019.

Overall Dimensions (H x W x D)   29 x 35 x 18 in | 74 x 89 x 46 cm

- Combines a single lateral file drawer with a sliding printer shelf and two storage drawers.
- Adjustable paper storage shelf above printer compartment.

SEQUEL
EXECUTIVE

The SEQUEL collection receives a promotion with the SEQUEL EXECUTIVE DESK. The largest desktop in the collection, this new design answers the need for a desk that is perfect for meetings or wherever a larger workspace is needed. Coordinates beautifully with the SEQUEL and SEMBLANCE collections to create a complete office.

Overall Dimensions (H x W x D)   29.75 x 67.75 x 32.25 in | 76 x 172 x 82 cm

- Top work surface is black, micro-etched glass that provides a smooth, non-glare work surface.
- Recessed modesty panel allows for a shared workspace.
- The user side of the desk features three drawers — two side storage drawers for supplies and a center multifunction keyboard drawer.
- A wire management channel through the top provides access to a tray below for a convenient place to run power cables.

The multifunction keyboard drawer can hold a keyboard and mouse and includes wire management slots in the back for rechargeable items.

All drawers are lined with non-slip material to keep contents in place.

Cables are neatly routed to an internal ledge that can house a power strip (not included).

SEQUEL
WALL
DESK

A versatile office solution, the SEQUEL WALL DESK can be positioned at any height to create a convenient workstation. Attaching securely to the wall with a simple mounting bracket, the desk features a micro-etched, black glass work surface and multi-function keyboard/storage drawer.

Overall Dimensions (H x W x D)   23 x 45 x 20 | 59 x 114 x 51 cm

- Desk can be mounted at any height to create a seated, bar-height or standing workspace.
- Top surface is black, micro-etched glass that provides a smooth, non-glare work surface.
- A wire management access panel in the desktop provides access to a lower tray for a power strip.
- Partner the desk with a SEQUEL storage cabinet to create a compact home office.

The Desk attaches securely to a simple wall-mounting bracket with provided hardware.

The multifunction keyboard drawer is lined with a non-slip material that keeps contents in place and serves as a mouse pad.

A ledge—availabe in black or grey—holds a small power strip (not included) and the lower panel conceals cables and can be removed for easy access to a wall outlet.
