THE J.H. MILLER II

THE J.H. MILLER

THE J. H. MILLER II 611-031

- Windsor Cherry finish on sixteen different species of hardwoods and veneers: Cherry, Crotch Figured Mahogany, Russian Walnut Burl, Movingue, Maple, Ebony, Padauk, Silver Gum, Black Cherry, Magnolia, Beech, Avodire, Anegre, Boxwood, Pearwood, and English Sycamore, some of which are very rare.
- Swan neck pediment crowned with three carved finials, two carved rosettes, and a carved finial shell, plus bookmatched Russian Walnut Burl with floral inlays framed with a Movingue border with Ebony and Maple accent lines.
- Ornate polished brass, Roman numeral dial features custom cast corners, center, and moon arch ornaments. Cast center disk is numbered and includes removable engraving plate for personal inscriptions. Special brass finished moon phase with "Limited Edition" inscription across the hemispheres.
- Decorative polished brass-finished lyre pendulum features cast center disk with a spun silver background, and weight shells embellished with decorative bands with a silver-tone background.
- Grand Bombé base with carved moldings with decorative cut out framed with carved floral motifs. Bookmatched Russian Walnut Burl with floral inlays framed with a Movingue border with Ebony and Maple accent lines on front and sides. The floral inlays include the rare wood species listed above.
- Beveled glass on all front and side glass.
- Large reeds with carved acanthus accent moldings and intricately carved acanthus column caps.
- Upper and lower doors feature crotch figured mahogany with complementing marquetry of Maple, Ebony, Padauk, and Pearwood.
- Kieninger cable-driven, triple-melody, nine-tubular chime movement features 36 bushings (24 bronze and 12 jeweled) and plays choice of Westminster, St. Michael, or Whittington 1/4, 1/2, and 3/4 chimes accordingly, with full chime and strike on the hour.
- Automatic nighttime chime shut-off option.
- Free brass Heirloom Nameplate will be engraved with your name and special date.
- Free Heirloom Record Document with brass-finished capsule is included.

*Designed by Chris Bergelin*

D. 20.75" (53 cm)

THE J. H. MILLER 611-030

Same features as THE J.H. MILLER II (611-031) above, except:

- Cable-driven, triple-chime Kieninger movement plays choice of Westminster, St. Michael, or Whittington 1/4, 1/2, and 3/4 chimes accordingly with full chime and strike on the hour. This special Kieninger movement features highly polished-brass movement plates and brass-tone chiming rods (only available on Limited Edition models).
- Automatic nighttime chime shut-off and sequential chime options.

**HAROLD H. LIMITED  
EDITION II 611-234**

- Limited Edition floor clock with an engraved numbered plate located on the backside of the upper door rail.
- Hand rubbed, satin luster Cherry Bordeaux finish on cherry hardwoods and veneers.
- Features angled columns of Russian Walnut Burl veneers and a multitiered pediment and base with complementing angular corners.
- Base includes a felt lined drawer for convenient storage of key and crank.
- Chrome accents crown the pediment and carry through in the details of the column caps.
- Gloss white dial with raised black Arabic numerals and hour markers; black minute and seconds track; black hands; and a polished chrome-finished bezel.
- Polished chrome-finished grid pendulum and weight shells.
- Beveled glass throughout.
- Case is illuminated with an energy efficient LED lamp which is dimmable to three settings by touching the upper right door hinge.
- Unique glass panel in the top of the clock allows additional light to cascade in and brightens the interior.
- Kieninger cable-driven, triple melody, nine-tubular chime movement features 36 bushings (24 bronze and 12 jeweled) and plays your choice of Westminster, St. Michael, or Whittington 1/4, 1/2, and 3/4 chimes accordingly with full chime and strike on the hour.
- Automatic nighttime chime shut-off option.
- Free Heirloom Record Certificate with nickel-finished capsule is included.
- Free nickel Heirloom Nameplate will be engraved with your name and special date.

H. 83" (211 cm)  
W. 23.50" (60 cm)  
D. 14.75" (37 cm)

Window in top of clock allows in additional light.

Felt lined drawer for convenient storage of key and crank.

HAROLD H.  
LIMITED EDITION

- Quartz, battery-operated, dual-chime Kieninger movement plays full Westminster or Ave Maria chimes with strike on the hour, with optional 4/4 chime feature which plays 1/4, 1/2, and 3/4 chimes accordingly.
- Volume control, automatic nighttime volume reduction option, and automatic nighttime chime shut-off option.
- Requires two C sized batteries (not included).

H. 25.5" (65 cm), W. 10" (26 cm), D. 5.75" (15 cm)

**AARON 625-583**

- High-gloss Black Coffee finish contrasted by a faux burlwood back panel.
- Flat glass on front with polished mirrored edge.
- White dial with black Arabic numerals, hour markers, and hands, surrounded by a polished nickel-finished bezel. A contemporary nickel-finished, cylindrical pendulum hangs below.
- Quartz, battery-operated single chime movement plays Westminster chime and strikes on the hour.
- Volume control and automatic nighttime chime shut-off option.
- Requires three AA battery (not included).

H. 21" (53 cm), W. 7.75" (20 cm), D. 4.5" (11 cm)

CONTINENTAL

BRODY

**BRODY 625-541**

- Brushed aluminum corners and polished silver-tone accents complement the faux Macassar Ebony finished top and base.
- Brushed aluminum dial features an applied circular, brushed aluminum numeral ring with black Roman numerals.
- Rectangular pendulum finished in brushed silver.
- Quartz, battery-operated, triple-chime Harmonic movement plays full Westminster or Ave Maria chimes with strike on the hour with 1/4, 1/2, and 3/4 chimes accordingly; Westminster chime and strike on the hour only; or Bim Bam chime on the hour only.
- Volume control and automatic nighttime chime shut-off option.
- Requires two C sized batteries (not included).

H. 20.5" (52 cm), W. 9.25" (23 cm), D. 4.25" (11 cm)

**CONTINENTAL 625-468**

- Cherry Bordeaux finish on select hardwoods and veneers.
- Circular brushed brass-finished pendulum bob with a brass finished grid.
- Lamb's-wool dial with black Roman numerals, brass-finished bezel, black spade hour and minute hands, and plain glass.
- Quartz, battery-operated, single-chime movement plays Westminster chime and strikes on the hour.
- Volume control and automatic nighttime chime shut-off.
- Requires four AA sized batteries (not included).

H. 24.5" (62 cm), W. 13" (33 cm), D. 5.5" (13 cm)

**MALIA 625-466**

- Cherry Bordeaux finish on select hardwoods and veneers.
- Features swan-neck pediment with turned wood finial, decorative shell carving and reeded columns.
- Circular brushed brass-finished pendulum bob with brass-finished lyre and grid.
- Lamb's-wool dial with black Roman numerals, brass-finished bezel, and plain glass.
- Quartz, battery-operated, single-chime movement plays Westminster chime and strikes on the hour.
- Volume control and automatic nighttime chime shut-off.
- Requires four AA sized batteries (not included).

H. 26.25" (67 cm), W. 12.25" (31 cm), D. 5.5" (14 cm)

**JAYLA 625-467**

- Same features as the MALIA (625-466) above, except:
- Legacy Oak finish, scalloped arched bonnet, and Arabic numerals.

H. 25" (64 cm), W. 12.25" (31 cm), D. 5.5" (14 cm)

MALIA

JAYLA

**FABLES 613-239**

- Oak Yorkshire finish on select hardwoods and veneers.
- Impressive moldings on the top and base.
- Decorative dial with black Roman numerals and separate second hand track.
- Quartz, battery-operated movement requires two AA sized batteries (not included).

H. 19" (48 cm), W. 13.75" (35 cm), D. 3.75" (10 cm)

FABLES

AVERY

ALEXI

**AVERY 625-385**

- Rustic Cherry finish with contrasting Vintage Umber inset panel.
- Wood stick pendulum with spun brass-finished bob.
- Two-color, wood-tone dial with gold Arabic numerals, aged brass-tone spade hands, and convex glass crystal.
- Quartz, battery-operated movement requires two AA sized batteries (not included).

H. 27.5" (70 cm), W. 11.5" (29 cm), D. 3.25" (8 cm)

**ALEXI 625-390**

- Wooden wall clock finished in Worn Black with red undertones and antique red inset panel.
- Wood stick pendulum with spun brass-finished bob.
- Antique red dial features gold Arabic numerals, aged brass-tone spade hands, and convex glass crystal.
- Quartz, battery-operated movement requires two AA sized batteries (not included).

H. 27.5" (70 cm), W. 11.5" (29 cm), D. 3.25" (8 cm)

Double Dial Clock

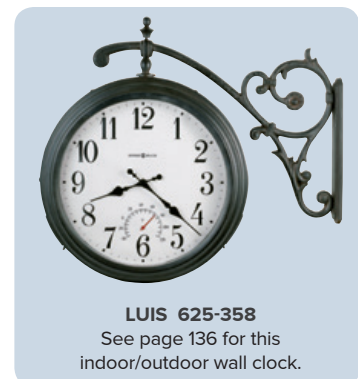

O'BRIEN

**O'BRIEN 625-317**

- Brown finished, double-sided clock swivels in a wall-mounted bracket.
- The two clocks run with two separate movements, and may be set to different times.
- Aged-parchment dials with black Roman numerals and glass crystals.
- Quartz, battery-operated movement requires two AA sized batteries (not included).

H. 11.75" (30 cm)  
W. 12.25" (31 cm)

## RADIO CONTROLLED CLOCKS—The ultimate in accuracy!

All of these Howard Miller Accuwave DS™ wall clocks automatically reset themselves, and adjust for Daylight Savings Time. These clocks receive a radio signal from the cesium atomic clock, the most accurate clock in the world. Radio controlled clocks display Continental US Time Zones only.

PLEASE NOTE: Radio signal interference may occur near electrical items or within some structures.

### TECHTIME WALL/TABLETOP CLOCKS

- Radio controlled, battery-operated alarm movement, automatically adjusts for Daylight Saving Time.
- Each includes a folding easel stand for the option of wall mount or tabletop display.
- Choice of 12- or 24-hour time format display. Displays day of the week, month, and date.

#### TECHTIME I 625-235

- Two-tone titanium and satin silver alarm clock. Acrylic LCD display with large 1.25" numerals for time; also shows temperature.
- Requires one AA sized battery (not included).

H. 6" (15 cm), W. 6" (15 cm), D. 1" (3 cm)

TECHTIME I

TECHTIME II

#### TECHTIME II 625-236

- Two-tone titanium and satin silver alarm clock. Glass LCD display with large 2" numerals for time.
- Requires one AA sized battery (not included).

H. 9.25" (23 cm), W. 8.75" (22 cm), D. 1" (3 cm)

TECHTIME III

TECHTIME IV

#### TECHTIME III 625-429

GOLDEN OAK

HAMPTON CHERRY  
(Various Levels of Distressing)

\*These wood finishes are intended for use as a general color reference. Due to the natural color variations that occur with wood, and the variables of 4-color process printing, the finishes represented here may vary from actual manufactured products.

# WOOD FINISHES

Howard Miller wood finishes are formulated to gently enhance the natural beauty of select woods and are meticulously applied by the adept hands of our experienced craftspeople. When you examine a Howard Miller finish, you will not only be able to see the beauty, but feel the quality of the finish as well.

WINDSOR CHERRY  
(Various Levels of Distressing)

WORN BLACK  
(Various Levels of Distressing)

WORN BLACK WITH BROWN UNDERTONES  
(Various Levels of Distressing)

\*These wood finishes are intended for use as a general color reference. Due to the natural color variations that occur with wood, and the variables of 4-color process printing, the finishes represented here may vary from actual manufactured products.

## WOOD FINISHES

Howard Miller wood finishes are formulated to gently enhance the natural beauty of select woods and are meticulously applied by the adept hands of our experienced craftspeople. When you examine a Howard Miller finish, you will not only be able to see the beauty, but feel the quality of the finish as well.

No Distressing

Lightly Distressed for an aged appearance

Moderately Distressed with shallow dents for an aged appearance

Heavily Distressed with light and deep dents, for an aged appearance

Heavily Distressed with deep dents, gouges and chisel markings for an aged appearance

Heavily Distressed by wire brushing, scribes, and worm holes for natural, rustic appearance

Heavily Distressed with deep dents, gouges and worm holes for an aged appearance

Heavily Wire Brushed for a natural, reclaimed wood appearance

Severely Distressed with deep gouges, scribes, and rasping for an aged aesthetic

\*These wood finishes are intended for use as a general color reference. Due to the natural color variations that occur with wood, and the variables of 4-color process printing, the finishes represented here may vary from actual manufactured products.
