## Care & Maintenance

Seaside Casual Furniture is extremely low-maintenance but does require occasional cleaning and care. In addition to hosing off salt water on exposed metals, EnviroWood® and Outdoor Fabrics should be cleaned of dirt, grime and mildew from time to time. Seaside produces specially formulated cleaning products that help to keep your outdoor furniture beautiful and last longer. Available exclusively through Seaside Casual authorized dealers.

### **MultiClean® Outdoor Furniture & Fabric Cleaner [C699911]**

*Multi-Use Formula With PTFE (MSRP \$27)*

Specially formulated for both EnviroWood® outdoor furniture and fabrics, MultiClean is the recommended cleaner for all cushions and pillows from the Seaside catalog. In addition to its cleaning properties, MultiClean also contains PTFE, a compound that adds a protective seal to outdoor surfaces.

### **EnviroWood® Outdoor Furniture Cleaner [C699910]**

*Heavy Duty Formula With Mildew Stain Remover (MSRP \$31)*

Designed specifically to remove tough stains from EnviroWood® and other outdoor furniture. This all surface cleaner is ideal for the toughest dirt and mildew stains and helps to maintain the beauty of Seaside Casual Furniture.

## Seaside Casual Return & Cancellation Policy

- All returns and cancellations require pre-approval from Customer Service, and are subject to restocking fees, including freight.
- Special Order furniture and cushions are not returnable.

Cushions marked with  are designed *with welt* as standard, otherwise *without welt* is standard.

Depending on fabric selection, welts will be constructed with the same or contrasting fabric as standard (see Fabric Swatch Catalog for options).

Non-standard welting on  marked cushions (contrasting or pattern matching) may result in additional charges. Welts may be added to non-welted cushions (where the design permits) for an additional charge.

Depending on welt style, other charges may apply.
