A LONG-STANDING TRADITION OF SERVICE

Every year, Surya contributes 10% of profits towards improving access to education, preserving artisan craft, and promoting health and wellness. As a Surya customer, you are an integral part of our tradition of helping others and serving communities in need.

EDUCATION

Through **Akshaya Patra** and **Project Mala**, Surya makes nutritious meals and a quality education accessible to more than 10,000 disadvantaged children in rural India, building a foundation for a brighter future.

CRAFT

Surya's handcrafted products are made with skill and passion by the more than 50,000 artisans, who earn fair, steady wages while working in a clean, safe environment.

HEALTH

Surya funds medical treatment for veterans, supports research for cancer and other serious illnesses, and promotes healthy pregnancies through contributions to **Pain Free Patriots**, **City of Hope** and **March of Dimes**.

ENVIRONMENT

As a member of the **Sustainable Furnishings Council**, Surya uses locally sourced natural fibers and dyes when possible and creates many products from recycled or repurposed materials.
