TOWER OF FIRE by Dayva

Feel
The Heat

White

Black

Bronze

Stainless Steel

The Tower of Fire is constructed of stainless steel with anodized aluminum uprights. It is built to be durable and withstand the harsh outdoors elements of wind, rain, snow and sleet. It is self contained and water resistant. The center flame is encased in a tempered glass tube, it is shatter proof and weather resistant and withstands cold/hot expansion and even splashed water (like the pyrite tubes used in chemistry classes) It is surrounded by a protective metal screen that is safe to the touch and comes with wheels for easy transport.

I AM THE ONE YOU WANT
TO SPEAK TO. SHE IS ONLY
HERE TO TAKE CARE OF ME.

MINI TOWER OF FIRE

Finally a table top heater ambiance unit that is novel, functional and an item of attention that can also be an advertising placement location for commercial application.

This unit does not block a person's view of the people sitting across the table from them. These are in great demand and will also be in great demand for your customer to be seated at the table with your mini tower of fire units.

Commercial Patio Heaters

Commercial Outdoor Patio Heater - Black

SPECS:

- Single piece reflector shield diameter: 36"
- Main Pole Diameter: 2.5" W x 33.5" H

DAYVA Warranty

MARKET UMBRELLA WARRANTY

Dayva International Inc. limited warranty on Market Umbrella to be free from manufacturing and workmanship defects for a period of 1 year from original date of purchase. This does not cover damages to the umbrella created by abuse, misuse, wind, accident or any purchaser modifications. Our Warranty specifically excludes liability for indirect, incidental or consequential damage to person or property. Ripped, broken or damaged umbrella parts must be reported to Dayva within 72 hours of original shipment date. Dayva International, subject to inspection, reserves the right to repair or replace the product. The Dayva warranty on umbrella fabric is a limited mill issued warranty covering fabric fading or disintegration only. The mill provides a 3 year warranty on furniture grade fabrics and 5 year on awning grade fabrics, which Dayva honors. Replacement parts are available for all wooden and stainless steel umbrellas. There is no warranty on metal umbrella's with crank and push button tilt or auto-tilt in commercial use applications.

HEATER WARRANTY

Dayva International Inc. extends a 1 year warranty from the original date of purchase against manufacturing defects in material and workmanship to the original purchaser of this product. If this product fails to operate because of a manufacturing defect, the defective part will be repaired or replaced at Dayva International Inc.'s option. This warranty does not apply to defects caused by accidental damage, improper handling, improper installation, improper connection to gas source, or any modifications done by the purchaser. It specifically excludes liability for indirect, incidental or consequential damage to person or property.

HOW TO FILE A WARRANTY CLAIM

If you find a Dayva product defective within the warranty period, please contact Dayva International Inc. at 714-842-9697. After determination of the defect by our warranty department, a return authorization (RA#) will be issued and must be written on the outside of the return box. You must also include a copy of your proof of purchase (Retail Sales Slip) to validate warranty coverage. All return freight charges are the responsibility of the customer/consumer. Dayva International Inc. shall pay the shipping charges for return of warranty replacement or warranty repair of product. Any item returned to us without a return authorization number (RA#) will be refused. Warranty is valid only on merchandise returned directly to Dayva International Inc. Carefully inspect all shipments before accepting goods from shipping carriers. Dayva International Inc. assumes NO responsibility for damages incurred during shipment. Please refer to the "Terms and Conditions" of our price list for further information.

These Warranties are VALID ONLY IN THE NORTH AMERICAN CONTINENT. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

Please do not hesitate to contact Dayva International Customer Service Department with any questions.

COLOR Reference Chart

Sunbrella

Forest Green	Navy Blue	Marine Blue
Black	Antique Beige	Sunflower Yellow
Canvas	Burgandy	Jockey Red
Forest Green & Natural	Taupe	Natural White

Actual Fabric Swatches may differ slightly in color due to printing processes. NOTE: Dayva International can produce umbrellas with any of Sunbrella's fabric choices or customers own material. There is a minimal upcharge for Dayva's nonstocking fabric choices.

Frame Finishes

White	Champagne	Hammered Bronze
Matte	Sand	

Base Finishes

Glossy Black	Hammered Bronze	Platinum
