OUR LINES ARE BUILT TO COMPLEMENT EACH OTHER. CHECK OUT THE "PAIRED WITH" SECTION, INCLUDED IN THE PHOTO'S CAPTION, FOR INSPIRATION AS TO HOW YOU CAN CREATE A UNIQUE COMBINATION.

Because we love being outside AS MUCH AS YOU DO.

When you purchase an Ebel product, you get more than just great designs and high-quality craftsmanship. We partner with Trees for the Future, an organization committed to promoting agroforestry and providing renewable energy to impoverished areas. For every piece of furniture we produce, Trees for the Future plants one tree. Therefore your purchase reduces harmful CO₂ in the atmosphere, provides food for animals, and improves the quality of life for people around the world.

As a continuation of our efforts to be eco-conscious, this catalog was printed at a facility certified by the Forest Stewardship Council. FSC is an organization with a reputation for having the most rigorous and credible system for certifying forests. Their mission is to establish good stewardship of forests through environmentally responsible, socially equitable, and economically viable forestry practices.

CARE & WARRANTY

Not only is Ebel's outdoor wicker a relief on the environment, but it's also a breeze to maintain. This 100% weatherproof polyethylene weave allows for quick and easy cleaning with household cleaners. Ebel cushions and pillows are warranted for a period of one year. Cushions should be dried prior to storage to avoid mildew and cleaned professionally if heavily soiled. Enjoy years of comfort and satisfaction knowing Ebel's 15 Year Limited Warranty covers any defects in materials or workmanship.

Full warranty is detailed in the dealer price list. Warranty exclusions consist of damage caused by acts of nature, unreasonable or abusive use, broken glass, spline that has been cut, and improper care or maintenance. Do not hesitate to contact your local dealer with any questions concerning the warranty or any Ebel products that interest you.

With Ebel, you receive not only the satisfaction of helping the environment, but the reassurance that you'll be able to do so for years to come.
