HARMONIA

LIVING

For over 15 years, Harmonia Living has strived to represent versatility and unparalleled value in every collection it designs and manufactures. Originally conceived from a vision to integrate elegant, high-end styles with approachable prices, Harmonia Living has grown from a small company based in San Diego, California to one that services the contiguous United States. Harmonia Living is committed to delivering outstanding service and exceptional indoor and outdoor furnishings to bring people together.

Harmonia Living – an integration of beauty, function and durability.

Cushions are made in America using American materials including Sunbrella, Outdura and Revolution performance fabrics which are easy to clean, and are fade, stain, and mildew resistant.

Our polyurethane foam core is CertiPUR-US® certified. CertiPUR-US® foam is made without harmful chemicals such as formaldehyde, ozone depleters, PBDEs, TDCPP or TCEP flame retardants and are free of mercury, lead, and other heavy metals to protect the planet as well as the health of you and your loved ones.

Deep seating cushions are wrapped in Dacron to wick away moisture. All back cushions are filled with 100% polyester filling encased in a soft bag.

All cushions are sewn with PremoBond marine-grade UV treated thread made from high-quality mold, mildew, and rot resistant bonded polyester.

Covers feature durable YKK brand zippers making them easily removable, while overlock stitching keeps seams from fraying so that they are machine washable.

HARMONIA
LIVING

Mixed materials, stunning proportions and modern lines are the hallmark of the Alto collection by Harmonia Living. The powder coated, thick gauge, and rust proof aluminum frames are complemented with braided Olefin rope armrests that are both visually appealing and functional. The wrapped armrests give padding and heat moderation to improve comfort during hot or cold days. Alto's scale and ergonomics were deliberately chosen to provide deep seating comfort that anyone can appreciate.

With its unique look and feel, Alto is the perfect addition to any contemporary outdoor setting.

Collection Highlights

Available in both slate and black frame finishes

Durable, rust proof frames made from thick gauge aluminum with a high-quality powder coated finish

Plastic foot glides on each foot protects your deck or patio surface from scratches

Sleek rounded aluminum arm frames

Olefin rope wrapped armrests provide padding and heat moderation for improved comfort on hot or cold days

Slanted back design provides comfortable back support and a deeper seating feel

Frame Finish and Rope Options

LIVING

Avion

The Avion Collection by Harmonia Living brings artful and contemporary style to your outdoor living space. The hallmarks of the collection include durable aluminum metal work finished in Black or Slate and extra-spacious deep seating. Bring contrast to your backyard patio by matching a Portal or Mason table with any pieces within the collection. Weather-resistant powder-coated frames and elegant lines make Avion as sensible as it is stylish for your outdoor living space.

Collection Highlights

Available in both slate and black frame finishes

Rust proof thick gauge, aluminum frames with durable powder coated finish

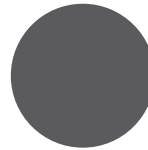

Seating pieces have leveling feet for uneven patio surfaces

Geometric straight edges for an industrial look

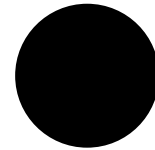

Stylish slatted table tops

Extra-wide seating for a full, spacious feel

HARMONIA
LIVING

Cafe

The Cafe Collection by Harmonia Living features fully welded, powder coated steel frames that exude quality and durability. Born from stout steel frames, we apply an automotive style electrophoretically deposited primer (EDP) undercoat designed to protect the frame from corrosion. A durable non gloss powder coat finishes the job. Available to be customized in a variety of colors and designed for indoor and outdoor use, the Cafe Collection is perfect for residential or commercial settings.

HARMONIA

LIVING

The Olio Collection by Harmonia Living is a realized concept brought to life with modern mixed materials. Its tapered legs, subtle curves and distinctive thick, padded Olefin roped backs represent a fresh take on mid-century modern styles. With its fully welded, rust proof aluminum frames and plush Sunbrella cushions, elegance is achieved without sacrificing durability or comfort.

Collection Highlights

Available in slate, black, and urban stone frame finishes

Rust proof, thick-gauge aluminum frames with durable powder coated finish

Mid-century look from its tapered legs, subtle curves, and sloping armrests

HARMONIA

LIVING

Arbor

Dine in comfort and style with the Arbor Collection by Harmonia Living. The wicker is made with durable High-Density Polyethylene (HDPE) and finished in a dark, beautifully textured coffee bean color. Each piece is constructed with an aluminum frame, double reinforced seats and fade resistant cushions. The dining tables make a bold statement with their teak tops, making a stark contrast to the rich, dark wicker. The Arbor Collection stands out amongst traditional wicker furniture with its unique blend of materials.

Collection Highlights

High-Density Polyethylene (HDPE) recyclable all weather wicker with UV inhibitors

Coffee bean wicker with detailed textures

Slatted grade A teak tops have a matching umbrella hole with cover

Plantation grown teak arms on dining arm chair

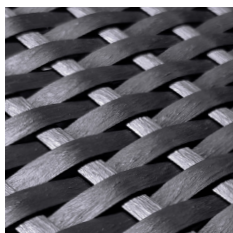

Thick gauge aluminum frames with powder coated finish

Double reinforced seats

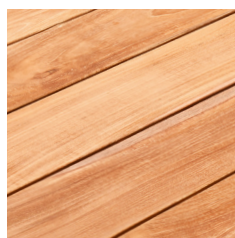

Tempered glass top on end table

LIVING

Arden

The Arden Collection by Harmonia Living embodies earthy tones that create an inviting outdoor environment. Its transitional aesthetic is characterized by its warm chestnut finished HDPE wicker and grade A teak feet accents. High back rests, matched with extra thick Sunbrella cushions makes the Arden Collection is a great choice for comfort.

Collection Highlights

High-Density Polyethylene (HDPE) recyclable all weather wicker with UV inhibitors

Thick gauge powder coated aluminum frames

Wicker strands have subtle mixes of chestnut color

Triple reinforced seats on deep seating pieces

Double reinforced seats on dining and bar chairs

Teak wood feet accents with plastic glides

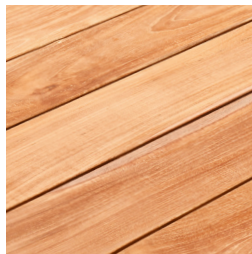

High back rests and large arms for a transitional design

LIVING

Dune

Natural looking wicker and teak accents makes Dune by Harmonia Living the highlight for transitional outdoor spaces. Dune's earthy tones are embodied by the textured driftwood wicker, infused with various colors found in nature. Teak accents reinforce Dune's inspiration from the outdoors, while sturdy aluminum frames contributes to its robust, modern construction.

Collection Highlights

High-Density Polyethylene (HDPE) recyclable all weather wicker with UV inhibitors

Thick gauge aluminum frames with powder coated finish

Wicker strands have subtle mixes of driftwood color with textured look

Triple reinforced seats on deep seating pieces

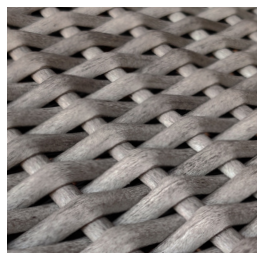

Double reinforced seats on dining and bar chairs

Teak wood feet accents with plastic glides

Care & Maintenance

Our furniture is designed to live long past the manufacturer warranty. It's also constructed with materials that don't require a lot of upkeep. By following the recommendations below, you'll enjoy your new patio furniture for years to come!

Protect Your New Outdoor Furniture

When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing upside down, which can trap moisture. Damage caused by the elements, normal wear and tear or improper care is not covered by Harmonia Living's warranty.

How to Clean Outdoor Furniture:

Aluminum

Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.

Teak

Long term, teak furniture develops a pleasing silvery gray patina that's cosmetic and not an indication of dryness. Its natural oils help keep this hardwood strong and durable in a variety of environments, so there's very little maintenance. Because teak is very weather-resistant it doesn't need to be stored during the winter or covered with protective tarps. However, covering teak furniture will protect the surface from elements such as hail, wind, and snow which can cause cosmetic damage. To keep the original golden honey finish, apply a very thin layer of Linseed or Teak oil your furniture 1-2 times a year, depending on exposure. Cleaning with teak cleaner is recommended every 2-3 years, along with the oil application.

HDPE Wicker

Simply hose off, or use a solution of mild dish soap (just a drop or two) and water with a soft cloth. Do not use harsh chemicals to clean HDPE wicker.

Sling

In order to prevent stains and protect its new appearance, wipe down the sling with a mixture of soap and water every few weeks. To remove mold, rinse down the furniture with water and scrub gently with a brush

GFRC / Concrete

Wipe up spills immediately with a dry cloth. For overall cleaning, use a soft cloth with a drop of mild dish soap. Rinse off soap and wipe dry.

Steel

Simply hose off or wipe down your frame to clean it. Avoid using harsh cleaners, brushes or power washers, which could damage the finish. Should the product get scratched or damaged, the metal will begin to rust. You can use Rustoleum spray paint to touch up scratches and prevent rust from spreading.

Performance Fabrics

Cleaning your cushions on a regular basis will help prevent build-up of dirt, which can generate mildew. Dirt and dust can be brushed off, while stains can be spot cleaned with mild soap and water. Cushion covers zip off and can be machine washed and air dried; do not put cushion covers in the dryer. For tougher stains, visit the fabric manufacturer's website for additional recommendations.

Tip: If your cushions are left out during a rainstorm, unzip and place the cushion on its side, zipper side down. This will allow the water to drain out quicker.

How to Clean & Protect Indoor Furniture:

Use a coaster or trivet when placing heavy items, or glassware on the surface top to prevent scratching. Dust regularly with a soft cloth occasionally polish with a lemon oil based product like Old English, please do not use harsh chemicals.

Warranty

The following warranties apply to the various materials that Harmonia Living uses to craft our products. Some products use mixed materials; 2 or more material warranties below apply.

Aluminum Frame Warranty

Harmonia Living extends a 3 year limited warranty against defects in workmanship and materials that cause structural failure of aluminum frames. Finishes carry a 1 year warranty against defects such as peeling, cracking, or extreme discoloration. (Commercial warranty 1 year frame / 1 year finish).

Steel Frame Warranty

Harmonia Living extends a 2 year limited warranty against defects in workmanship and materials in steel frames that cause a structural failure. Finish damage caused by rusting is not covered. Warranty void if scratched or within 2 miles of salt water. (Commercial warranty 6 months frame / 90 days finish).

Outdoor Wicker Warranty

Harmonia Living extends a 2 year limited structural and finish warranty against structural failure, finish fading, or cracking. (Commercial warranty 1 year frame / 1 year wicker).

Rope

Harmonia Living extends a 2 year limited warranty against defects in workmanship and materials that cause a failure of the ability to use the piece of furniture. (Commercial warranty 1 year).

Outdoor Sling / Texteline Warranty

Harmonia Living extends a 1 year limited warranty against defects in workmanship and materials that cause a failure of the ability to use the piece of furniture. (Commercial warranty 90 days).

Cushion Warranty

Sunbrella®, Revolution and Outdura each carry a 5 year warranty. Please refer to the warranty of Sunbrella®, Revolution and Outdura fabrics used in the production of our cushions for specifics; the manufacturer's warranty will apply. Harmonia Living offers a 2 Year warranty against defects in workmanship and other materials used in cushion production. Back cushion stuffing liners are not covered under warranty. Cushions made with unbranded fabrics hold a 12 month warranty against defects in workmanship; fabric and back cushion stuffing liners are not covered by the warranty. (Commercial warranty 1 year Sunbrella®, Revolution and Outdura fabrics / 90 days other materials and workmanship).

Teak Warranty

Harmonia Living extends a 1 year limited warranty against defects in workmanship and materials. While teak is a natural material, and some cosmetic, non-structural irregularities may exist, or develop, structural failure will be covered. Some material may be from a reclaimed source; patches and other irregularities may be considered normal and not defects. (Commercial warranty 90 days).

Warranty

Hand Made Cement Products

Harmonia Living extends a 1 year limited warranty against defects in workmanship and materials in MGO Cement products. While these products are hand made, and some cosmetic, non-structural irregularities may exist, structural failure will be covered. Finishes carry a 1 year warranty against defects such as peeling, cracking, or extreme discoloration. (Commercial warranty 90 days).

Indoor Furniture and Decor

Many of the pieces of indoor furniture or decor that we carry are either hand-made, an antique, or made of environmentally conscious reclaimed woods, making each item subject to minor blemishes and color variance. These imperfections are what give Harmonia Living products their charm, and unique character. Harmonia Living warrants that indoor products be free of meaningful defects in material and/or workmanship for 1 year from date of delivery. (Commercial warranty 1 year).

Exclusions

Harmonia Living warranties carry a static weight limit of 275lbs per seating position (example a 3 seat sofa can hold a static weight of 825lbs) Damages caused in transit, damages by severe weather, abuse, lack of proper care, or misuse, including but not limited to issues caused by cleaning agents, sprinklers or intense reflections of windows, normal wear and tear, scratches, damage while unpacking, rusting hardware or damages caused by excessive forces are not covered. Do not move furniture by dragging it, items must be lifted to move. Parts such as table, chair, sofa legs damaged by dragging will not be covered. Stacking chairs can cause scratches. Scratches caused by stacking are not covered under this warranty, take care when stacking stackable chairs. The Spread dining table is recommended for use under covered patios, or if in full sun, must be covered with a protective cover when not in use. Warranty period will begin on the date of delivery to the original end purchaser and is applicable only to the original end purchaser with proof of purchase. Warranty claims must be submitted and approved by Harmonia Living only; Dealers are not authorized to process, approve, or deny warranty claims. Claims must be accompanied by photos of the issue. Approved warranty claims will be addressed by repair, replacement, or prorated refund, at Harmonia Living's discretion, however freight and labor costs are not covered when replacements are made. Proof of Purchase required. No other warranties, expressed or implied will be honored beyond this document. In no instance will reparations exceed purchase price. All disputes to be filed and held in California courts under California law. (9-29-22)
