CHRYSALIS

can be...

A sophisticated dining room interior. In the center is a round, dark-colored table with a thick, curved pedestal base. Four modern chairs with orange upholstered seats and backs and dark frames are arranged around the table. On the table sits a centerpiece of dried flowers in a silver vase, a set of three lit candles in ornate brass holders, and some small grey ceramic vessels. Above the table hangs a 'Chrysalis' 9-light pendant with multiple black, faceted crystal shades of varying sizes. The background wall is a deep blue-grey with classic architectural paneling. To the right, a built-in display cabinet with glass doors and warm interior lighting holds various decorative objects. To the left, a window with sheer curtains allows natural light to filter in, and a small potted plant sits on a wooden console. The floor is covered in a light-colored rug with a subtle geometric pattern.
