Your Responsibility

As an internet retailer/reseller, you are required to provide the following point-of-sale warnings to consumers of Kingsley Bate products – prior to their purchase – when such products contain a Proposition 65 listed chemical and will be shipped into the State of California:

For products containing Bisphenol A

 **WARNING:** This product can expose you to chemicals including Bisphenol A, which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/furniture.

For products containing Carbon Black

 **WARNING:** This product can expose you to chemicals including Carbon Black, which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/furniture.

For products containing Toluene

 **WARNING:** This product can expose you to chemicals including Toluene, which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/furniture.

Recommended instructions for displaying the warning are provided in (Title 27 California Code of Regulations Article 6 Clear and Reasonable Warnings) ***Section 25602(b)***.

For internet purchases, a warning must be provided using one or more of the following methods:

- A warning on the product display page, or
- A clearly marked hyperlink using the word “**WARNING**” or the words “**CA WARNING**” or “**CALIFORNIA WARNING**” on the product display page that links to the warning, or
- By otherwise prominently displaying the warning to the purchaser prior to completing the purchase. Note that the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

Downloadable images of the hazard symbol that precede the warning are available here:
