

A photograph of a modern outdoor patio. In the foreground, a dark blue sectional sofa with two burgundy textured pillows sits on a light-colored wooden deck. A low wooden coffee table in front of the sofa holds a woven basket of pears and a glass of water. To the right, a side table holds a potted plant and a white candle. In the background, a stone wall and a set of wooden steps lead up to a higher level of the deck. The overall scene is bright and sunny, with shadows cast across the deck.

KETTLER[®]

CASUAL FURNITURE COLLECTION

2022

ALL WEATHER WICKER

Our high quality Polyethylene (PE) material is all-weather, maintenance free and can be used indoors and out. This synthetic weave uses hand-made manufacturing techniques offering optimal strength and durability on all-aluminum powder-coated frames. A UV rating of 2000 hours provides a high level of color fastness combined with all-weather Sunbrella® fabrics to withstand even the harshest elements.

3 Year Wicker / 1 Year Cushion Warranty.

WROUGHT IRON

Our wrought iron incorporates the finest materials, careful craftsmanship and clean, versatile designs with exemplary comfort. Our Electrotherm® coating process is specially developed for the harshest outdoor elements, providing an exceptional corrosion barrier that reliably seals and protects the high quality steel frame, even in coastal areas. 5 Year Warranty.

ALUMINUM

Elegant aluminum combined with our slings, teak and polymer resin allows for a contemporary design with timeless character. The specialized surface treatment and powder-coated finish not only develops the frames signature brilliance, but allows for easy maintenance and extreme weather resistance. Additionally, the polymer resin and teak components, such as armrests, beautifully coordinate with the frames and remain cool to the touch.

3 Year Frame / 1 Year Sling - Cushion Warranty.

POLYMER RESIN

KETTLER® has gained vast experience in this field over decades and developed special resin formulations from which high-quality furniture is produced in Germany. The material recipe for this high-quality polymer has been specially developed by KETTLER® and is impervious to all weather conditions. All parts are extremely sturdy with brilliant surfaces and smooth edges. Here too lies the fine distinction between KETTLER® products & mass-produced articles. 3 Year Warranty.

LIFE OUTDOOR LIVING

The LIFE Outdoor collection is a distinctive and innovative line of luxury casual outdoor furniture and accessories that beautifully blends premium materials, unique designs and ultimate comfort. The full range of contemporary European outdoor products includes lounge sets, dining sets, bar height sets, tables, loungers, room dividers and accessories.

3 Year Frame / 1 Year Sling - Cushion Warranty.

LIFE

O U T D O O R L I V I N G

COLLECTION

KETTLER®

MATERIALS

SUNBRELLA® FABRIC

Sunbrella® is a high grade acrylic with excellent outdoor features such as high color fastness, water resistant, high durability and easy maintenance. The touch and feel are remarkably similar to indoor fabrics.

COMFORMA FABRIC

Breakthrough patented technology enables environmentally friendly Olefin fiber to create rain and water resistant fabrics that permits your patio furniture to quickly dry under varying weather conditions. Comforma Olefin yarn embodies long lasting durability that repels most household stains in addition to mastering moisture.

TEXTILENE FABRIC

Our unique pillows are made to stay outside all season long. The fabric used is extra strong for long-lasting durability. The pillows are easy to clean, dry quickly, come with a zipper for easy cleaning, are weather resistant and both color proof and water permeable.

ROBUST TEAK WOOD

The teak wood LIFE uses is FSC (Forest Stewardship Council) and SVLK (Sistem Verifikasi Legalitas Kayu) certified, meaning that the full process of manufacturing is registered and monitored. By buying FSC and SVLK certified wood you can be assured that the wood is acquired sustainably guaranteeing the survival of the plantation. Over the years this robust wood will naturally change color and acquire a gray patina. As teak wood is a natural product it has to be maintained on a regular basis. Use the LIFE maintenance products to keep it in great condition.

ALUMINUM FRAMES

LIFE Outdoor Living has a wide range of aluminum furniture. Aluminum furniture has the advantage of being lightweight yet strong. The high quality powder coating ensures that LIFE aluminum products can endure any type of climate.

CERAMIC TOPS

LIFE ceramic table tops feature a remarkable concrete appearance that is totally weatherproof and extremely easy to maintain. Ceramic is the strongest material used for table tops and has an unsurpassed level of scratch resistance. Furthermore, these table tops withstand temperatures ranging from -40°F up to 500°F, making them ideal for any and all places! These table tops are comprised of a mixture of ceramic and epoxy (8mm) affixed to a durable layer of tempered glass (6mm) resulting in a beautifully crafted (10mm) table top.

POLY COMPONENTS

You would be hard pressed to distinguish LIFE poly resin products from real wood. It is a proprietary resin product that has all the stylish looks of real wood but is lightweight with non-existent splintering.
