

The background of the image is a dark navy blue with a fine, woven texture. It is framed by several thin, parallel gold lines that create a large, irregular diamond or lozenge shape in the center. These lines intersect at various angles, creating a sense of depth and geometric structure. At the points where the lines intersect, there are bright, glowing gold sparks or light flares, adding a touch of elegance and dynamism to the design.

BUILDING ON TRADITION

Metropolitan® Lighting Fixture Co. began with a mission to provide masterful European designs to the American market. Over the years, Metropolitan® has evolved and established its unique style and vision, honoring the classics yet carrying them forward to reflect current design trends and lifestyles.

Today we are proud to offer a variety of glamorous, elegant, sophisticated, and innovative collections; from chandeliers to bath, which combine diverse materials, finishes, and manufacturing techniques.

We invite you to share in the contemporary and classic designs that are the Metropolitan® Lighting collection.
