WALT DISNEY
SIGNATURE

As one of the world's greatest storytellers, collaborators, innovators and entrepreneurs, Walt Disney is a truly powerful inspiration for a product line. With his artistic vision, Walt Disney expanded the boundaries of design, animation and entertainment beyond imagination. So it is with great pride that Metropolitan® presents the Walt Disney Signature lighting collection.

Like the man behind the brand, Walt Disney Signature is designed to stimulate your imagination and inspire your sense of style. Distinctive lighting fixtures reminiscent of the art moderne styling of the 30s and 40s have been carefully crafted.

Walt Disney Signature moves beyond simple nostalgia, infusing the best elements of the past into contemporary, imaginative and inviting lighting for today.

Hearst Castle® Collection®

Craftsmen labored nearly 28 years under the direction of architect Julia Morgan to create the estate known as Hearst Castle®; once the private home of publisher and film producer William Randolph Hearst.

Administered by California State Parks as an historic house museum, Hearst Castle® is open daily to the public. Its 165 rooms and 127 acres of gardens, terraces, pools, and walkways, located on California's Central Coast, contain vast and diverse collections of fine and decorative art which provide the inspiration for the reproductions, adaptations and interpretations available as the Hearst Castle Collection® of lighting.
