UPTOWN

Elongated tails and candle sticks create effortless sophistication in the Uptown series. The slender candles of Polished Nickel contrast the stout supporting arms finished in a soft Satin Brass. Tall Off-White fabric shades complement the updated classic design. The simplicity of this design allows it to pair with various traditional to contemporary stylings and many color themes.

LIBRARY

Direct the light exactly where you want it using the articulated arms and metal shades of the Library series. At the backplate, the arm pivots left or right and up or down to direct the light. Additional articulated arms angle the shade or extend or contract the distance of the light source from the wall. Available in Polished Nickel and Heritage Brass finishes, the Library collection evokes industrial era classicism perfect for use as a task light or accent light. Complimentary table and floor lamps complete the collection.

WAFER

Wafer was designed for the discriminate consumer who wants the low profile look of recessed without the high cost. Manufactured of die cast aluminum, Wafer brings ultimate heat dissipation to its edge lit technology. Edge lighting gives very even light distribution while dispersing heat over a larger area. The result of this is longer LED life and better light diffusion.

WAFER

- New models feature 120-277V input
- Dimmable at 120V using Electronic Low Voltage dimmer
- Color Temperatures: 3000K and 4000K
