

NICHE

# N I C H E

“If you have a good idea and  
believe in it and work hard,  
you can make anything happen.”

— JEREMY PYLES, CREATIVE DIRECTOR

Established in New York in 2003, Niche redefines hand-blown glass lighting. Since the company's inception, we have been committed to being a best-in-class modern lighting solution for the architectural and interior design community.

With an array of pendant silhouettes and an impressive depth of color choices, our high-quality products are sourced in commercial and residential projects across the globe. We are inspired to continue creating and lovingly crafting these designs for you.

## Made, *not* Manufactured

THE BEAUTY OF OUR PROCESS DEFINES WHO WE ARE

Dedicated to hand-crafting unique products from the finest materials, we expertly consider even the most minute details when creating products from our diverse line. Our entire approach, from design to fabrication, is aligned with the guarantee of quality and luxury in mind.
