Introduction

The patented construction, unique to the world, makes relocating this modern umbrella base as easy as child's play. Simply position the Oasis Rolling Base wherever shade is needed. No need to tip or close your umbrella; because the Oasis Rolling Base is designed so you can move the umbrella in the fully open position. German engineered with no compromise to quality.

Models

The Oasis Rolling Umbrella Bases are available in four different weights:
100S, 130R, 220S and 330R lbs (S=Square R=Round)
