2023 NEW RELEASES

Spark your creativity as you page through this supplement of our newest releases.

Ignite your vision with our broad offering of collections, materials, colors and finishes found at oxfordgarden.com.

Thoughtful Design **MADE RIGHT**

For more than 25 years, Oxford Garden® has created outdoor furniture with thoughtful design made right. This philosophy permeates everything we do. Our products enhance commercial and residential spaces, creating luxurious outdoor living experiences that stand the test of time.

Beginning with our design process, each piece of furniture is tailored to achieve a balance of form and function. Our materials are selected for their beauty and durability in outdoor conditions. Each piece is crafted with commercial-grade quality to deliver superior comfort and performance that can be enjoyed for years.

Our commitment to "making it right" continues through the service and support we provide during and after the purchase process. Our sales and support professionals provide responsive customer service that continues well after our furniture is installed. We are committed to fostering customer satisfaction and loyalty.

Installed in hotels, resorts, restaurants, country clubs, multi-family, and other commercial applications, Oxford Garden® is an established partner in providing comfort and style for the outdoor experience.

MATERIALS

MATERIALS

All of our materials are engineered to resist weathering and heavy use, enhanced durability providing strength, longevity and comfort ideally suited for the commercial outdoor environment. This in combination with color and aesthetics are requirements for thoughtful design made right.

HIGH-PRESSURE LAMINATE

High Pressure Laminate (HPL) is renowned for its durability, longevity, and simple care requirements. Paper with resin is compressed with very high pressure into a strong, scratch-resistant surface. HPL is resistant to heat, UV rays, stains, and scratches.

GLASS FIBER REINFORCED CONCRETE

Glass Fiber Reinforced Concrete (GFRC) is created from a composite of stone, cement and fiberglass, making it highly durable. Polished and cured to further protect from scratches and stains. The surface of the material has a porous and organic appearance.

TEAK

Sustainably sourced hardwood with naturally high oil content and dense grain allows Teak to resist rot, moisture, warping, and splintering. Wood weathers naturally to a beautiful silvery gray color unless treated.

POWDER-COATED ALUMINUM

Powder-coated surfaces are resistant to chipping, scratching, fading. Aluminum is lightweight yet sturdy, and rust resistant.

WICKER

Composed of polyethylene resin extruded into fibers and hand woven around an aluminum frame. Resin wicker is a durable polymer where color is created by mixing dye straight into the resin.

SUNBRELLA® FABRICS

Sunbrella fabrics are 100% solution-dyed acrylic, engineered to protect from mold, mildew, stains, and water.

CARE & MAINTENANCE

POWDER-COATED ALUMINUM / WICKER

Wash gently with a mild, non-abrasive cleanser. Rinse well and let dry.

TEAK

For seasonal cleaning, rinse the furniture and use a sponge or soft bristle brush to scrub with a mild cleaning solution. Rinse with fresh water.

SUNBRELLA® FABRICS / SOLUTION-DYED POLYESTER FABRICS / SOLUTION-DYED OLEFIN FABRICS

Brush off dirt before it becomes embedded and clean liquid spills as soon as they occur by blotting (don't rub) with a clean, dry cloth. For oil-based spills, apply an absorbent such as corn starch, then remove with a straight edge. Wash gently with a mild, non-abrasive cleanser. Rinse well and air dry.

HIGH-PRESSURE LAMINATE (HPL)

Clean with a damp microfiber cloth. Remove most stains with water and ordinary all-purpose cleaner or dishwashing detergent. For stubborn stains, use a dab of concentrated detergent. Avoid abrasive or highly aggressive cleaning products like steel wool, scouring powder, or other polishes as they can scratch the surface and cause damage.

GLASS FIBER REINFORCED CONCRETE (GFRC)

GFRC should be cleaned after each use. Soap-less cleaners are preferred as they minimize streaking and filming. Mild liquid dish soap is acceptable if rinsing is thorough. Do not use strong or abrasive cleaning agents. If using dish soap, mix a small amount into warm water. Protect the product from hard frost during winter or extreme heat in the summer, either by storing indoors or using a furniture cover when not in use.

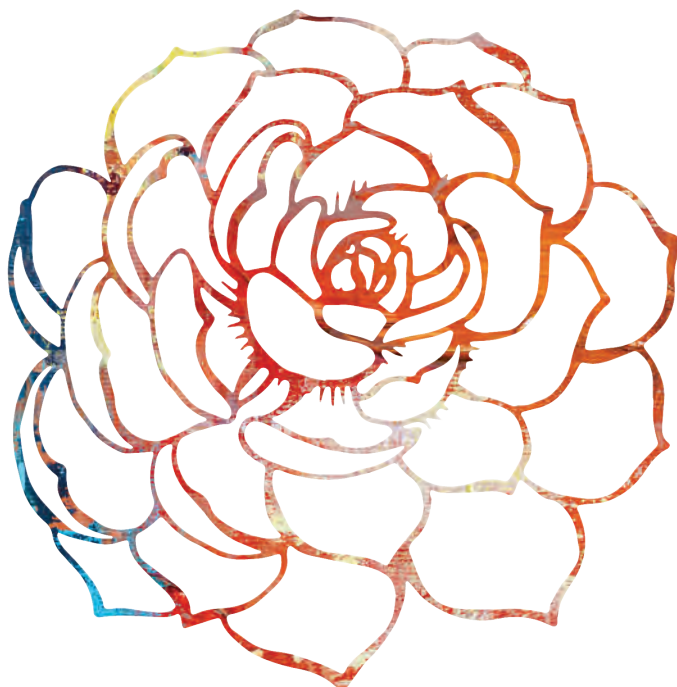

CUSTOM & SPECIAL ORDERS

Oxford Garden® gladly accepts color and material combinations outside of those suggested in this document. Only Quick Ship items may be returned or canceled, all other items may have longer lead times and MOQ's. Search oxfordgarden.com for Quick Ship item status.

WARRANTY

We offer one, three, and five-year warranties – provided the furniture is assembled correctly and subjected to normal use. For more detailed warranty information, visit oxfordgarden.com/furniture-warranty

QUICK SHIP

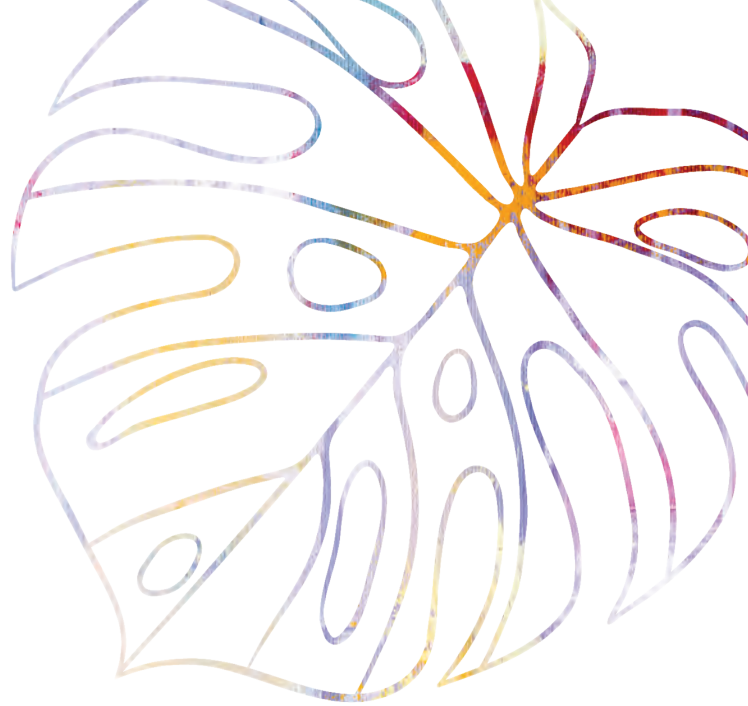

Receive outdoor furniture fast, without extended lead-times by using the Oxford Garden Quick Ship Program. Oxford Garden offers a comprehensive in-stock selection of products with extensive colors, materials and finishes for projects that require quick turnarounds.

ADVANTAGES AT A GLANCE

Includes a wide variety of our most popular collection items.
Most orders will ship from 1 – 5 days from receipt of a confirmed order.
On hand inventory is maintained with anticipated demand needs.

POLICY

Quick Ship items are based on available quantities. Revisions to purchase orders may change lead time. Lead times are estimated and do not include weekends or holidays.

The screenshot displays the Oxford Garden website interface. At the top, navigation links include 'About Us', 'Contact Us', 'Support', 'Where To Buy', 'Commercial Uses', and 'Blog'. On the right, there are buttons for 'View Catalog', 'Request Quote', 'Portfolio (0)', and a 'Search' button. The main header features the 'OXFORD GARDEN®' logo and filters for 'COLLECTIONS', 'TYPES', and 'MATERIALS'. On the left sidebar, the 'FILTER BY:' section includes a search bar and dropdown menus for 'COLLECTIONS', 'TYPES', and 'MATERIALS'. Below these, the 'IN STOCK' section shows a blue button with a warehouse icon and the text 'In Stock (409)'. The 'TIMING AND DELIVERY' section includes a 'Quick Ship (303)' button with a truck icon and a 'Closeout (16)' button with a tag icon. Two red arrows point from the 'In Stock' and 'Quick Ship' buttons towards the product listings. The product grid shows six items, all labeled 'Orso Side Chair' or 'Orso Sling Side Chair' or 'Orso Sling Armchair', with their respective model numbers and 'NEW FOR 2022' status.
