IN MEMORIAM

**IRA PHILLIPS
(1928-2018)**

As we look forward to 2019,
we must pause to remember Quozel's
founder Ira Phillips.

Quozel has lost a fearless leader, salesman, innovator, mentor, friend, father and grandfather. The lighting industry has lost an original pioneer, a person who wanted to advance the importance of lighting to the American consumer. A remarkable human being, Ira had a true gift for having time for everyone he met and to make them feel important. It is hard to adequately express our sorrow at Ira's passing and our gratitude for the opportunity to have worked with him.

In the words of Ira's favorite song:

***"I've lived a life that's full
I've traveled each and every highway
But more, much more than this
I did it my way."***

Ira leaves behind an incredible company that he built his way, and that spirit will forever remain the foundation of Quozel. We will honor his legacy of tireless service and personal connection by continuing the work he loved so much.

He will be sorely missed, but forever remembered.

LIVE. LAUGH. LOVE. LIGHT.

SPELLBOUND

Find yourself mesmerized by the vintage beauty of the Spellbound, a stunning member of Platinum by Quoizel. Inspired by the sputnik designs of decades past, this collection is truly retro reimagined. Spheres of shimmering ice glass are encased in outer shades of clear glass for added glitz, while polished chrome arms and sockets add a contemporary edge.

> Find the Westover Outdoor Lantern on page 746.

COSMIC BEAUTY

> Find the Zodiac Pendant on page 129.

DID YOU KNOW: LED
LIGHTING USES MUCH
LESS ELECTRICITY AND
WILL LAST LONGER
THAN AN EQUIVALENT
INCANDESCENT BULB?

THE ZODIAC PENDANT
CONTAINS 96 LEDS.

PERFECT FOR YOUR
HALLWAY, BATHROOM,

RETRO REIMAGINED

One small step for lighting, one giant leap
for your home's decor!

The Spellbound Chandelier was inspired by the Sputnik satellite. The arms of the chandelier bring a fresh, modern asymmetry to the contemporary fixture.

The bulbs are constructed with a double glass shade, which means the bulb has an inner and outer glass. The inner glass gives it a "crystal feel," which causes the halogen light emitted to soften and appear to sparkle.

> Find the Spellbound Chandelier on page 115.

MAKE A STATEMENT

The Ribbons Pendant is a work of art. Resembling a sphere of spiraled ribbon, this fixture will captivate anyone that walks into the room.

> Find the Ribbons Pendant on page 133.

CHOOSE FROM A VARIETY OF FINISHES: **SATIN COPPER** (PICTURED), **CRYSTAL CHROME**, **MILLENNIA**, **POLISHED CHROME**, AND **WESTERN BRONZE**.

The Roadhouse rounds up the best in modern Western style. The drum shade in metal mesh is accentuated by oil-rubbed bands and distressed rivets in your choice of Aged or Natural Walnut. This rustic chic design allows you to convert from a semi-flush fixture to a pendant with the addition of rods (included).
