WELCOME

Dear Valued Customer,

We are excited to introduce The Blueprint Collection. Our design team has done a wonderful job creating a new line of products that are on a trend with today's lifestyles at a superb value.

This assortment of affordable lighting is up to the task of illuminating new and existing residential and commercial spaces with the utmost beauty top of mind.

Ideally, guests visit hospitality and commercial spaces for fun: a long weekend getaway at a boutique hotel, a festive wedding in a ballroom, or a holiday dinner at a tony steakhouse. But sometimes, work calls us away to these very same locations, casting them in a different light. Whether for necessity or pleasure, we occasionally find ourselves in unfamiliar settings like hotel rooms, office buildings, and restaurants. Home isn't always where we choose to make it, so why not make every destination beautiful?

By marrying the expertise of our regular Catalog line to this value-priced product, we hope to provide the blueprint to build stronger partnerships with our customer and grow business within their markets.

Thank you for taking the time to peruse our new collection!

Rick Seidman

YOUR PROJECT ILLUMINATED

Grand architecture requires grand illumination. Quoizel lets any space shine with sophisticated products tailored to every nook and cranny, indoors or out.

Every space is a canvas: now, let's illuminate all the possibilities.

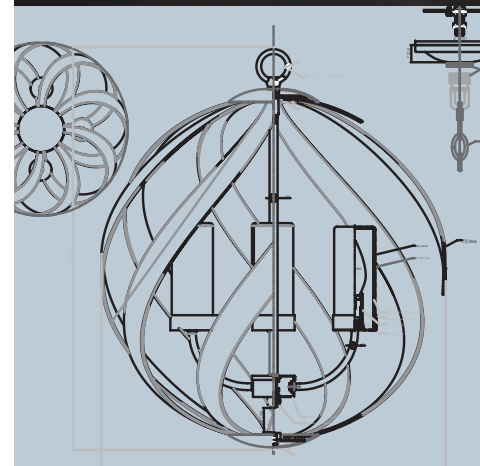

AMBIENCE WITH A TWIST

Make a statement — and let guests make an entrance. Blacksmith best dazzles in lobby and entryway settings, where its dimmable glow sets the mood for fond memories. Install in restaurant dining rooms or over a bar to perfectly illuminate an evening out on the town.

> **BLACKSMITH.** In a twisted ironwork design, the Blacksmith pendant stylishly radiates rustic patina in lustrous, lived-in tones of silver and charcoal. The candles are fitted with frosted glass cylindrical shades — whether with 3, 4 or 5 bulbs, each pendant is dimmable for a flattering, completely customizable look. The handsome chain drop is a final, polished flourish to Blacksmith's classic ambience and stately allure. Find **BLACKSMITH** on page 428 of the Quoizel 2019–2020 Catalog.

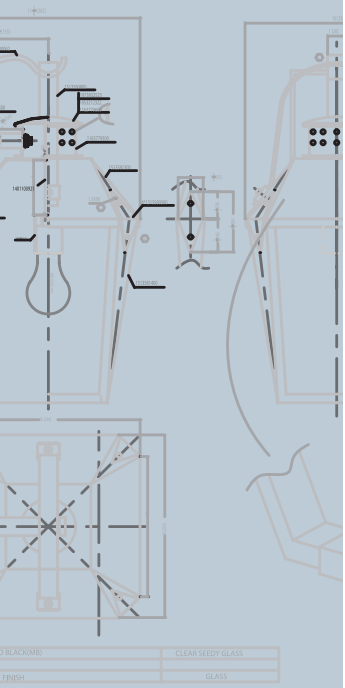

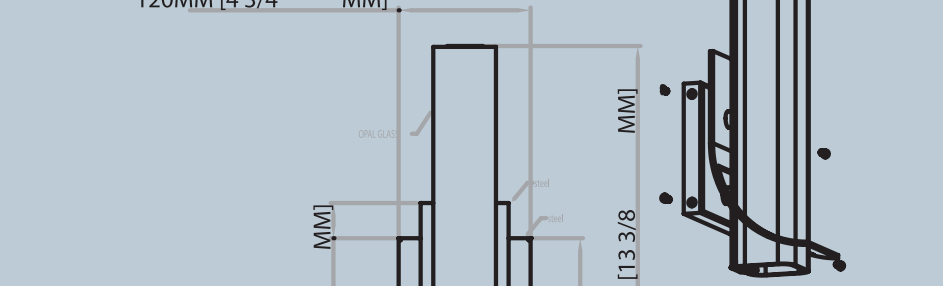

EXTERIOR STYLE

A warm, welcoming light signals respite and safety. Illuminate outdoor spaces like pathways and patios after dark with the gracious assistance of the Carriage range. Patrons will not only sit and stay awhile amid its dependable glow, but also find their way back without worry.

> CARRIAGE. Aesthetics meet performance in Carriage, a family of outdoor lighting that evokes the quality and style of an era gone by. Available as lanterns, posts and pendants, Carriage features clear seedy glass and a mottled black finish that complements contemporary and classic design sensibilities alike. Rendered in aluminum, these lights withstand the elements in style. Find CARRIAGE on pages 691–692 of the Quoizel 2019–2020 Catalog.

BRILLIANT BATHROOMS

Blade makes bathrooms infinitely chicer. Flanking a mirror, these modern sconces enliven a bath or commercial powder room – and beautify any reflection. Or, install in Zen-inspired bedroom spaces for a minimalist take on the bedside reading lamp.

> BLADE. Milky, etched opal glass softens an otherwise modern look in Blade, a sleek and streamlined lighting series with integrated LED technology that diffuses light beautifully, yet provides targeted illumination ideal for bathrooms and vanities. Its vertical design draws the eye upward, creating height and visual appeal. Available in a polished chrome or solid black backplate. Find BLADE on page 166 of the Quoizel 2019–2020 Catalog.

INSTANT AUTHENTICITY

Carefully curated objects create a sense of authenticity in commercial spaces. With its sought-after Mission style and Tiffany heritage, the Gibbons table lamp radiates the feeling of home. Layered with fixtures, Gibbons is part of a cohesive and cozy lighting strategy for lobbies, waiting rooms, offices, bedrooms, workspaces and more.

> **GIBBONS.** Delicate panes of terra cotta- and honey-hued glass create an artisan mosaic in Gibbons, a Tiffany-style table lamp with a russet column base and hefty chain pulls. Embodying the warm, clean lines of late 19th-century Mission style, Gibbons highlights the complexity and beauty of a custom mosaic: because of its handcrafted stained glass shade, no two lamps are alike. Find GIBBONS on page 636 of the Quoizel 2019-2020 Catalog.

MADE TO ORDER

How does an international restaurant franchise create authentic charm rooted in rustic, Italian-American cuisine? When Pizza Hut executives needed eye-catching lighting for their pizzerias, they called upon our expertise and reputation for high quality and beautiful Tiffany lighting. Our team created a stained glass, Tiffany-inspired pendant featuring the restaurant name as part of the mosaic. Equal parts functional and decorative, these hand-crafted pendants serve to subtly reinforce the Pizza Hut brand ethos: an inviting reminder for patrons to come again sits at the center of each and every table. The red-and-white palette reflects Pizza Hut branding and simultaneously evokes the cheerful warmth of gingham tablecloths, an emblem of authenticity at Italian cafes and pizzerias.
