STAR INTERNATIONAL™
FURNITURE, INC.
ESSENTIALS FOR LIVING®

LIMITED ONE (1) YEAR WARRANTY FOR FURNITURE DEALERS

Warranty Information

Warranty is valid for one (1) year starting from the date of purchase by the Furniture Dealer and is valid only for the original purchaser of the merchandise; warranty is not transferable or assignable.

The date of purchase is the date that the Furniture Dealer originally purchased the item from Star International Furniture. This purchase date (or invoice date) is found on the Star International Furniture invoice. Proof of purchase is required for all warranty claims. Proof of purchase consists of the original invoice for claimed item showing the invoice date and Furniture Dealer's name. WARRANTY COVERS PRODUCTS USED IN A NON-COMMERCIAL, NON-INSTITUTIONAL, HOUSEHOLD INDOOR ENVIRONMENT ONLY. Warranty does not cover damage resulting from negligence, abuse, normal wear and tear, or accidents, including burns, cuts, scratches, tears, scuffs, water stains, indentations or pet damage. Any product modification by Furniture Dealer, or other parties not authorized by Star International Furniture to do so, will void this warranty. Within the warranty period Star International Furniture will, at its sole discretion, replace (with a similar item if product is discontinued), repair and/or issue credit for the warranted merchandise. Star International Furniture may also designate an authorized repair center to perform the repair.

Claims Process

A photo image and written description of the defective item must be provided before Star International Furniture will accept any warranty claim. After notification Star International Furniture may find it necessary to arrange for a physical inspection of the merchandise to determine if a defect exists. Upon determination of a valid claim, Star International Furniture will issue a credit for replacement or authorize a repair. If the merchandise is replaced the replacement item will be shipped with the Furniture Dealer's next order.

Star International Furniture reserves the right to determine the disposition of the defective merchandise after a claim is resolved—this may include disposing of or returning the merchandise to Star International Furniture. Prior to requesting a warranty claim Furniture Dealer must ensure that merchandise was not damaged due to handling or shipping.

Claims must include:

- Furniture Dealer's name, contact person and phone number.
- Proof of purchase with invoice number.
- Item name, number, color/finish.
- Photo image and detailed description of the defect.

Warranty claims must be made in writing and accompanied by a photo image to:

Star International Furniture

Consequential or Incidental Damages

In no event shall Star International Furniture be liable for special, consequential, or incidental damages. This means that any loss, expense, cost, or damage caused by a defect of the warranted merchandise is NOT the responsibility of Star International Furniture. This includes any freight or shipping costs.

Improper Care and Use

Your merchandise requires some routine maintenance. Please take care to treat your merchandise from Star International Furniture like any other fine furniture. Proper care and use are essential to preserving your rights under this warranty. Star International Furniture will not repair or replace your merchandise if improper maintenance or improper use causes damage. This warranty does not apply if your merchandise is damaged by the use of detergents, abrasives or other harsh cleaning agents.
