MASTER LIGHTING CATALOGUE
2020

Savoy House COLLECTIONS...

Welcome to Savoy House!

We are a leader in the lighting industry, designer of more than 2,000 fashion-forward fixtures and the proud recipient of six Dallas Market Choice Awards. Savoy House is proud to be featured in premium showrooms and select retailers across the United States. Since 1965, we've been known as an affordable luxury brand with exemplary customer service.

Our commitment to quality engineering and the highest production standards makes us the go-to lighting choice for interior designers, builders and lighting enthusiasts everywhere.

We begin 2020 with the introduction of 150 new fixtures that beautifully complement our existing collections. We expanded our ever-popular Essentials Collection and widened our assortment of popular design styles in today's market, including rustic French, modern Americana, and designer looks. We reimagined our classic carriage lantern and incorporated textural glass across our product assortment. We embraced warm brass, multifaceted crystals, unexpected whimsy and meticulously hand-applied layered finishes. We found inspiration everywhere, from the farmhouses of Provence to boutique hotels in the far corners of the world.

As we move forward, we continue our commitment to creating well-made, stylish lighting fixtures that delight our customers and we thank you for being part of our continued growth.
