

Firetable Information

Sunset West Gravelstone Fire Tables are made of Glass Fiber Reinforced Concrete (GFRC). The finish is cured throughout, not painted on, which allows for a great look for years to come. The Stone topped Fire Tables offer the stone listed with a powder coated aluminum frame. Sunset West Fire Tables carry a UL/CUL rating. The Burner has a Limited Lifetime Warranty. Frames have One (1) Year Limited Warranty in a residential setting.

Each Sunset West Fire Table includes:
10 foot hose to connect to propane (LP) source and Glass Beads. Glass surrounds sold separately (please see below).

All Fire Tables rated from 55,000 - 100,000 BTU.s Burner units made from 304 stainless steel featuring a pan burner, plus a separate starter switch and flame control. All fire tables ship with the necessary part to convert to Natural Gas.

SUNSET WEST MODEL #	Max BTU Rating	
	LP	NG
