Caring For Your Furniture

Wood

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish – always rub with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol) and abrasives.

Antiqued Brass and Metal

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly – do not use a brass cleaner (it will damage the lacquer)

Upholstery

See the Lexington Upholstery and Leather Catalog for more information on cleaning and care for your product. Available from your dealer, by visiting lexington.com or by phoning 336.474.5300, ext. 2. For current fabric information, see your Lexington Upholstery dealer.

Caution

Never remove cushion covers for separate dry-cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.

Dealer Note

Possession of this brochure does not necessarily constitute authority to purchase and the furnishing of this brochure does not constitute an offer by the Company to sell any of the items contained herein.
