

KINGSTOWN SEDONA

Outdoor Living today has become a natural extension of your indoor space. Tommy Bahama, the number one name in casual living, offers designs across a wide range of styles. The finest materials, meticulous craftsmanship, and custom options allow you to create an environment that is uniquely yours.

Choose from 175 performance fabrics with the same soft hand, rich colors and vibrant patterns as indoor upholstery – complete with trims, fringes and designer options. Our proprietary Weatherguard™ cushions are both weather resistant and ultra-comfortable. Every item is hand crafted, with artisan finishes that will dare you to distinguish outdoor designs from fine indoor furniture.

The Kingstown Sedona collection features Tuscan-inspired designs cast in all-weather aluminum from hand-carved molds. Finished in rich ebony with bronze highlights, Kingstown is the most sophisticated of the outdoor collections. The fire pit is crafted from elegant Café Emperador marble with geometric copper inlays. With sofas spanning 95" in length and dining tables that comfortably seat eight, this collection is ideal for outdoor entertaining on a grand scale.
