Essence Collection

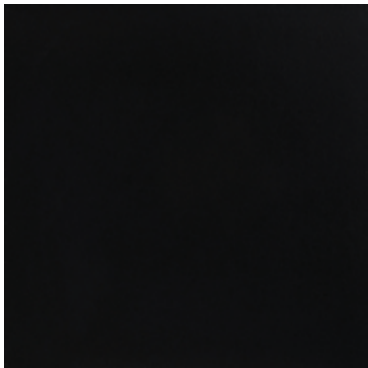

Essence invites you to step into a world where fashion meets furniture. Evoking a sense of understated glamour, Essence features silhouettes that mirror the feminine form with graceful curves and a light, airy presence. The collection's smaller footprint makes it ideal for today's living spaces while its refined designs showcase Marino's influences. Essence delivers iconic silhouettes that have been distilled to their essence. Crafted from Wire Brushed Oak that is flat-cut to perfection, each piece is a timeless work of art. Contrasting finishes of Pure White and Halo are complemented by Aged Silver and Heirloom Bronze and accented with small-scale hardware reminiscent of cufflinks or solitaire studs adorning a perfect outfit. Its signature look is inspired by visionary architect Peter Marino, best known for his work with Chanel and his masterful use of black and white. Essence embodies the perfect fusion of classic sophistication and modern flair.

THE RENDITION DRESSER

The story behind this signature design is as intriguing as its beauty. Sustainable, plantation-grown mahogany is selected and then bleached of all color so it can be hand-finished in elegant shades. Each veneer is painstakingly matched to accentuate the natural splendor of crotch mahogany. Luxurious, hand-designed ring pulls and metal ferrules complete its timeless appeal.
