LEADERS IN OUTDOOR COMFORT AND VALUE

We are excited to celebrate our 30 year Anniversary! Since 1990, Windward® has been crafting quality outdoor furnishings made to stand the test of time. Having built its roots in the commercial industry, Windward knows what it takes to build a product capable of enduring high traffic. No matter the scope or application, WDG is your source for outdoor furnishings.

As a family owned and operated company, we understand the importance of the outdoor room as a gathering point. Making memories with friends and family is always time well spent and we appreciate every opportunity to be chosen as the backdrop for those moments.

Based in Sarasota, Florida, we strive to partner with our dealers to provide exceptional quality, superior service, and in-demand styles.

The majority of our products are made in our Sarasota factory. We stand by our goal of manufacturing the highest quality products at a competitive price. Our belief has always been that our strongest asset is our value.

SEASON CHANGES

2020 SEASON HIGHLIGHTS

POLY COLOR OPTIONS - NEW!

Feature above is our NEW Kingston Deep Seating in Oyster recycled poly on River White MGP (RIWH-OYST). We have added four new recycled colors to compliment our Poly collections. With five MGP colors and four recycled poly (RP) colors, in addition to various two-tone options available, you are sure to find the perfect combination! See page 100 for two-tone accent options.

NEW POLY SEATING OPTIONS

We added several NEW Poly benches; classic porch benches as well as a NEW tête-à-tête featured above and a wave bench. The tête-à-tête table comes with an umbrella hole and plug. See page 21 for our complete collection of benches.

COMFORT HEIGHT DINING

We enhanced our Cape Cod Sling collection by adding more Comfort Height dining tables. Comfort height dining raises the seat height by two inches for those who want a dining chair that is easier to get in and out of.

NEW WICKER PRODUCTS

Two NEW wicker additions include the Oxford trash receptacle & Martin bar chairs in Dove & Kahlua. Windward wicker collections are made from high quality synthetic wicker weave and reinforced extruded aluminum frames.

NEW ALUMINUM PRODUCTS

Windward has added a NEW Retail Chaise Lounge. The Siesta Chaise Lounge offers the great style and comfort you've come to expect and is an exceptional value for our retail consumers. Windward uses the highest quality materials available for outdoor furniture manufacturing.

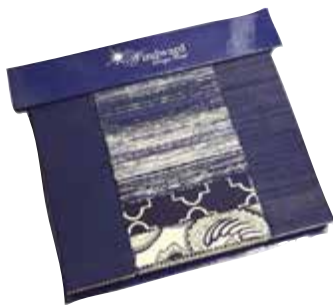

NEW PLANK TOP TABLES

Our expanded offering of plank top tables includes a NEW wave table design featured above. Our NEW recycled poly color options have a wood grain texture that compliments our traditional MGP. See our plank tables on page 83.

WINDWARD LAUNCHES RUCHOMI - A POWERFUL DEALER TOOL!

Windward is excited to announce the launch of Ruchomi for the 2019-20 season! Ruchomi is a web-based catalog that helps you find the perfect products for each of your customers. In addition to easy product search, it's always up to date with our current products, programs, promotions, pricing (including your cost and floor pricing), and much more. Every feature is designed to make it easier than ever to sell WDG products, wow your customers, and grow your business.

WINDWARD FABRIC BOOK

Our fabric book, shown above is current for 2018 through 2020 seasons. View our fabric offerings on pages 103-106 and on our website.

NEW WATERPROOF FABRICS

Windward® offers a variety of waterproof performance fabrics including our NEW Outdura® WeatherTex fabric offering and Sunbrella Rain fabrics. Details on availability, pricing, and how to order are available in the Windward binder and our NEW WeatherTex fabric display.

CUT YARDAGE PROGRAMS

In addition to our extensive collection of high quality fabrics, we are proud to also offer the Sunbrella, Outdura, and Phifer cut yardage programs. Details on availability, pricing and how to order are available in the Windward binder.

The seat bend of most strap dining chairs is reinforced with extra internal aluminum tubing.

Aluminum skid welded into all Neptune strap chaises.

Safety Bend: Prevents fingers being pinched when adjusting the head rest of any Neptune chaise.

All strap furniture features double wrapped straps secured in place with nylon rivets.

Vinyl protector prevents the aluminum ratchet from scratching the frame during adjustment.

The seat bend of most strap dining chairs is reinforced with extra internal aluminum tubing.

Aluminum skid welded into all Country Club strap chaises.

Safety Bend: Prevents fingers being pinched when adjusting the head rest of any Country Club chaise.

All strap furniture features double wrapped straps secured in place with nylon rivets.

Vinyl protector prevents the aluminum ratchet from scratching the frame during adjustment.

HOW TO ORDER AN UMBRELLA OR CANTILEVER:

- 1) Pick Your Umbrella Frame
Example: 9' Oasis item # is #WCAN9CRSQ
- 2) Pick the Pole Color and use the Color Code
Example: Bronze is BZ
If the umbrella only comes in one color, skip this step.
- 3) Pick the Fabric and use the Fabric Code
Example: Blue Stripe (BSA), fabric options shown on page 98
- 4) Put it all together - Item # = Frame Model # + Fabric Code
Example: #WCAN9CRSQBSA would be the 9' Oasis Cantilever with Blue Stripe
- 5) Choose your Installation or Base Type
View the installation/mounting options above for Santorini, Oasis and Haven.
Choose an umbrella base from page 98 for market umbrellas.

Note: certain bases are designed for use under tables and some are designed to be freestanding. Umbrellas used with our bar or balcony tables require an extension pole. Contact customer service for details.

A protective black poly cover comes standard with Santorini, Oasis and Haven umbrellas.

MORE THAN FABRIC
MORE THAN TECHNOLOGY
CRYPTON IS FABRIC INTELLIGENCE

SPILL AT WILL

SUPERIOR PERFORMANCE

Patented process which provides superior moisture, stain, odor and bacterial resistance that lasts the life of the product.

INTEGRATED MOISTURE BARRIER

The moisture barrier is integrated into the fabric, which provides a surface that can be disinfected while maintaining breathable comfort.

ENVIRONMENTALLY PREFERABLE

Crypton® has achieved GREENGUARD Gold Certification for low chemical emissions, which can aid in the creation of healthier environments.

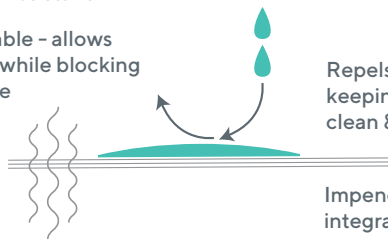

DURABLE, YET BEAUTIFUL

Even though the finish is extremely strong and durable, passing all heavy-duty requirements, it still has a soft, supple hand.

How it Works

Stain, odor and bacteria resistant

Breathable - allows air flow while blocking moisture

Repels moisture - keeping cushion clean & dry

Impenetrable, integrated, permanent moisture barrier

- STAIN RESISTANT
- ODOR RESISTANT
- MOISTURE RESISTANT
- WORRY-FREE
